About Me
My name is Sai, and I am a third-year B.Tech Computer Science and Engineering student.
I am passionate about programming, web development, and *artificial intelligence*. I enjoy learning new technologies and improving my problem-solving skills through coding and practical projects.
I have worked on several academic projects that have helped me strengthen my technical and problem-solving abilities. I am always eager to explore new tools and programming languages to expand my knowledge.
In my free time, I enjoy solving coding problems, learning about emerging technologies, and working on personal projects. My goal is to become a successful software engineer and contribute to innovative technology solutions in the future.
